To: The Secretary

From: S/AL - Llewellyn E. Thompson

Subject: Memorandum of Conversation -- Ambassador August R. Lindt (Switzerland) and Llewellyn E. Thompson, Ambassador-at-Large, Department of State, Wednesday, October 31, 1962, twelve o'clock noon.

The Swiss Ambassador, whom I had known before, asked to see me today. In the course of the conversation, I inquired what he thought the attitude of the International Red Cross would be to carrying out inspection on the high seas of vessels bound for Cuba if the Cubans should refuse to allow IRC to operate in Cuba.
